

Christ's Kids

Hello Parents,

Oct. 2008

We are excited about beginning our 14th year of the Christ's Kids program. This program is designed to encourage the memorization of Bible passages and important Bible facts. It is for children in the 3-year-old through 6th grade classes.

On the back of this sheet, we have listed the items to be memorized by his/her age level. Once those items are memorized, your child will be given the opportunity to memorize Bible verses which are available in the Resource Room or from your child's teacher. In your child's Sunday morning Bible class, he or she will be able to say their memorized facts from 9:00-9:15 to their teacher. The teacher will document his/her progress throughout the year.

In May 2009, we will have our Christ's Kids awards ceremony to recognize those children who have completed their memory goals.

We hope you will encourage your child to become a Christ's Kid. We feel this program will help our children grow, "... in wisdom, and stature, and in favor with God and men." Luke 2:52.

In Christian love,
